<https://www.gov.uk/government/publications/preventing-and-tackling-bullying>

### **1) Objectives of this Policy**

This policy outlines what Hurst Green C of E Primary School and Nursery will do to prevent and tackle bullying. The policy has been drawn up through the involvement of the whole school community and we are committed to developing an anti-bullying culture whereby no bullying, including between adults or adults and children and young people will be tolerated. This policy applies to all pupils in the school including the Early Years Foundation Stage.

### **2) Our school community:**

- Discusses, monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports all staff to promote positive relationships to prevent bullying and will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures that pupils are aware that all bullying concerns will be dealt with sensitively and effectively; that pupils feel safe to learn; and that pupils abide by the anti-bullying policy.
- Reports back to parents/carers regarding their concerns on bullying and deals promptly with complaints. Parents/ carers in turn work with the school to uphold the anti-bullying policy.
- Seeks to learn from good anti-bullying practice elsewhere and utilises support from the Local Authority and other relevant organisations when appropriate

### **3) Definition of bullying**

Bullying is “Behaviour by an individual or a group, usually repeated over time that intentionally hurts another individual either physically or emotionally”. (DfE “Preventing and Tackling Bullying”, March 2014)  
Bullying can include: name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours. This includes the same inappropriate and harmful behaviours expressed via digital devices (cyberbullying) such as the sending of inappropriate messages by phone, text, Instant Messenger, through websites and social media sites and apps, and sending offensive or degrading images by mobile phone or via the internet.

### **4) Forms of bullying covered by this Policy**

Bullying can happen to anyone. This policy covers all types of bullying including:

- Bullying related to race, religion or culture.
- Bullying related to SEND (Special Educational Needs or Disability).
- Bullying related to appearance or physical/mental health conditions.
- Bullying related to sexual orientation (homophobic bullying).
- Bullying of young carers, children in care or otherwise related to home circumstances.
- Sexist, sexual and transphobic bullying.
- Bullying via technology –“cyberbullying”

#### **4) Procedure to follow when a complaint of bullying is first raised:**

##### **Stage 1: Report to the Class Teacher**

*The following procedure will be adopted in the circumstances of a child/parent or a member of staff raising a concern about bullying.*

- 3.1. In the first instance, any complaint of bullying behaviour, whether it is physical, verbal or mental, should be reported to the class teacher. The concern will be taken seriously and will be addressed immediately.
- 3.2. The class teacher will speak to the child and reassure him/her asking that any bullying behaviour is reported immediately. The child will be reassured that he/she will not get into trouble for doing so and that 'telling' is an important part of making things better.
- 3.3. The class teacher will inform the Head of School.
- 3.4. The class teacher will make a log of any incidents of bullying or discriminating behaviour and will address any such conduct immediately with the children concerned.
- 3.5. If a concerning pattern of behaviour is found after 48 hours of close monitoring the pupil's class teacher and the Head of School will arrange to meet with the parents of the child who they suspect is being bullied. (follow 4.2 below)
- 3.6. If a pattern of behaviour is not immediately obvious, the class teacher will continue to monitor the situation and will again reassure the child on a one-to-one basis.

##### **Stage 2: Escalation to the Senior Management Team**

*The following procedure will be adopted in the event that the above actions by the class teacher fail to resolve the situation.*

- 4.1. At this stage the complaint of bullying behaviour, whether it is physical, verbal or mental, will be reported to the Head of School and immediate action will be taken. The Executive Head Teacher will also be informed.
- 4.2. A meeting will be arranged with the Head of School, class teacher and the parents of the child who is suspected of being bullied. Ample time will be given to ensure a full discussion of the situation including all evidence to date and actions taken. A plan of action will be agreed with the parent/s in accordance with this policy:
  - 4.2.1. The class teacher will speak to the child who is suspected of being bullied, reassure and him/her and request that any bullying behaviour is reported immediately. The child will be again be reassured that he/she will not get into trouble for doing so and that 'telling' is an important part of making things better.
  - 4.2.2. The class teacher will continue to make a log of any incidents of bullying or discriminating behaviour and will address any such conduct immediately with the children concerned.
  - 4.2.3. Other members of staff will be alerted to the situation.
  - 4.2.4. Specifically a programme of 'intensive monitoring' will be put in place, where all teachers who interact with the pupil/s concerned will actively observe and log incidents. This observation will cover all areas of the school (playground and classrooms) and all activities (curricular/extracurricular/break-times).
  - 4.2.5. The Head of School will implement whatever additional actions are felt necessary in the particular circumstances.
  - 4.2.6. Close communication will be maintained between all parties involved.

4.3. **If evidence of bullying is found**, the parents of the child/children accused of bullying will be contacted and a meeting will be arranged with the Head of School and the class teacher. Strategies to help the child accused of bullying to improve and change his/her behaviour will be initiated, as well as strategies to enable the bullied child to deal effectively with the unwanted behaviour of the bully.

- Carpet time/PSHE will be used to discuss bullying issues with the whole class.
- If the situation does not resolve itself other measures will be considered. These may include seeking the advice of a professional third party such as a psychologist.

4.4. **If no evidence** is found this will not necessarily be taken to mean that bullying is not happening since the behaviours can often be subversive and secretive.

- Staff will remain vigilant.
- Discussions will be held with the group of children involved to promote understanding and consideration for one another.
- The pupil/s reported for bullying will not be individually sanctioned nor their parents involved without supporting evidence.

4.5. **If the incident is particularly sensitive**, such as one involving the child of an employee of the school, then the Executive Headteacher may take the lead in place of the Head of School if this is agreeable to all parties.

4.6. **Resolution:** In the case that parents feel the bullying has not been satisfactorily resolved then the parents should, in the first instance, put their complaint into writing and discuss it with the Executive Headteacher as per the Complaints Procedure.

## 5. Other forms of bullying:

This policy focuses mainly on the bullying of pupils by pupils although it is recognised that a staff member could be a victim and on occasion may be perceived to be guilty of bullying. Staff members who are concerned about being bullied or harassed should refer to the Staff Handbook. Pupils and parents who feel that a member of staff is bullying should report this with reference to the procedure outlined above. Complaints against teachers will be dealt with in accordance with staff disciplinary procedures.

  - looking at use of the school systems;
  - identifying and interviewing possible witnesses;
- Contacting the service provider and the police, if necessary.

Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:

- Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and also the school searching and confiscation policy. (Note: We will use the DfE 'Searching, screening and confiscation at school' and Childnet Cyberbullying guidance to ensure that the schools powers are used proportionately and lawfully)
- Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies
- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online.

This may include:

- advising those targeted not to retaliate or reply;
- providing advice on blocking or removing people from contact lists;
- helping those involved to think carefully about what private information they may have in the public domain.

## **7. Reducing the risk of bullying:**

6.1. Teachers routinely attend training sessions, which enables them to become equipped to deal with incidents of bullying and behaviour management.

6.2. Children at the School are supervised at all times by members of staff. Staff are alert to the fact that bullying may take place at school and will act on any concerns they may have.

6.3. Concerns are raised in staff meetings relating children in the school. However, depending on the nature of the concern it may be more appropriate to raise these directly with the Head of School in the first instance.

6.4. Hurst Green CE School and Nursery educates our pupils through the PSHE programme undertaken by class teachers in every year group. We also use educational elements such as assemblies, projects, drama, stories, literature, historical and current affairs.

- Ensure all parents/carers know about our complaints procedure and how to use it effectively.
