Breakfast and Tea Time Club – BOOKING ESSENTIAL

We have had to cap both the clubs due to staff ratios. This means that there are 12 spaces at Breakfast and Tea Time Club. Children must be booked in for the session in advance, as you will not be able to book them in on the day if there is not space. School Money will not allow you to book if the club is already full and we will not be able to take them. It is imperative that they are booked in to club in advance as we will have to turn away children if we do not have space for them and we don't want to do this. If you book your child in and they do not attend, you will not be refunded (unless off sick) as we may have turned other children away.

Collective worship – Friendship

In the last week of studying friendship we have talked about what makes someone a good friend – the things that you might look for when choosing people to spend time with and how you can be a good friend to others.

Harvest Assembly

The children performed beautifully last Friday and we really hope that those of you who joined us thought so too! We have had many thank you letters/cards and phone calls from people who received a harvest basket in the village – so a big thanks for all your donations.

Oak Class Cake sale

Thank you to all who baked and bought and ate cake – we all appear to be better at the eating than the making...

The Car Park

We are, once again, having issues in the car park. Please, please keep drop off and pick up times to a minimum. This will help ease congestion and help it flow more smoothly. If you could all avoid having angry exchanges, this would be a great example to the children. Many thanks.

Please let us know if you would like the opportunity for your child to learn to play the violin. Email hurstgreenoffice@quercusfederation.co.uk.
