A message from the Chair of Governors

“The Governors would like to congratulate and thank all staff, children and parents for their support in achieving a “Good” SIAMS rating. This was a particularly impressive achievement, given that the inspection was carried out under a new framework, making it that bit more difficult.

Well done everyone.

Operation Encompass

Please see a letter attached explaining about this new initiative which is being run in conjunction with the Police. We are very pleased to have been asked to be a part of it and think that this early notification is essential for us to understand unusual behaviours, should something occur outside of school hours.

EAT CAKE ON TUESDAY

Silver Birch are having a Cake sale on Tuesday – any cakes gratefully received. Don't forget to bring some pennies in at pick up.

Collective Worship

God gives us people who are close to us, who care for us, who love us, family, friends etc. This Sunday we think of one person in particular: our mothers— or those who mother us: those people who have nurtured us and supported us as we have grown, people who have given us what we need and who have looked after us.

Secret Gifts Room

The children all enjoyed the secret gifts room – we sold 175 gifts in total and we will be running another one later in the year.

HGSA Easter Egg Hunt and Easter Hat competition

You will all have received a letter about this – please make sure you return slips to us by next Wednesday with the £2 so that your child can take part. If your child would like to make an Easter hat at home, there will be a prize for the best one brought in on Friday!
