

<p style="text-align: center;"><u>Science</u></p> <p>Electricity</p> <ul style="list-style-type: none"> Identify common appliances that run on electricity. To construct a simple series electrical circuit, identifying and naming its basic parts, including cells, wires, bulbs, switches and buzzers. Identify whether or not a lamp will light in a simple series circuit. Recognise some common conductors and insulators, and associate metals with being good conductors. 	<p style="text-align: center;"><u>English</u></p>  <p style="text-align: center;">Thunder cake by Patricia Polacco</p> <ul style="list-style-type: none"> To story map, learn and retell a story. To edit and improve a story To engage and entertain a reader To write a narrative To write instruction To apply word classes (objectives, adverbs, imperative verbs, conjunction, prepositions.) To discuss and share an opinion To write from one's own experience. To offer a balance argument. 	<p style="text-align: center;"><u>Mathematics</u></p> <p>Measurement</p> <p>Length: Show something that they think is just shorter/longer than metre/centimetre/millimetre.</p> <p>Mass: Say which object in the classroom is heavier than 100 g/kilogram/half-kilogram and know how to check if they are correct.</p> <p>Read scales: understand intervals of 25, 50,100.</p> <p>Capacity: Find a container that they think would hold one litre and check to find out if they were correct.</p>
<p style="text-align: center;"><u>Humanities</u></p> <ul style="list-style-type: none"> To use maps and learn about climate differences around the world To research where our food comes from Display findings in a variety of ways. To find out about fairtrade To explain how a significant figure of the period influenced change 	<p style="text-align: center;">Chestnuts Year 3</p> <p style="text-align: center;">Scrumdiddlyumptious!</p> 	<p style="text-align: center;"><u>Creative Arts</u></p> <p>Artistic Domestic Science!</p> <ul style="list-style-type: none"> To apply the rules for basic food hygiene and other safe practices, e.g. hazards relating to the use of ovens. To know how to prepare and cook a range of dishes safely and hygienically. To evaluate their work both during and at the end of the assignment. To design, draw and sculpture icing. Still art sketching Bake bread

PE and Games

- Develop skills from the 3 main aspects of athletics – running, jumping and throwing.
- Show controlled movements and body actions in response to specific instructions.
- Can demonstrate agility and speed.
- Jump for height and distance with control and balance.

RE, PSHE and Citizenship

Islam

- Muhammad
- 99 names of Allah
- Qur'an Islamic calligraphy
- identify similarities and differences across several religions
- Retell religious stories
- Ask important questions about religious teachings

Computing

- Design and create a simple program that completes a given task (simulating a physical system – interactive toy).
- Detect and fix bugs my programs to ensure they complete a given task.
- Use repetition in programs.
- Understand how search engines order their results.
