HURST GREEN NEWS FRIDAY 12th February

Dear Parents and Carers,

There is no work for the children to complete next week as it is half term. I hope you all enjoy the break, even though we are all unable to go anywhere. Stay home, stay safe.

Kind regards, Miss Flack

SOME OF THIS WEEK'S WORK

Willow Class

We have been learning about the number 6 and recognising the spot patterns on a dice. We have read and made predictions about the Magic Paintbrush story in English too.

Michalina made an amazing Chinese Drum.

Eddie had fun sledging!

Naia's giant snowman

Nice chopstick work Rex!

Matthew, Freya and Rex made Chinese drums too!

Silver Birch

This week we have been writing letters to children in China so that they know what schools are like in England. We had a Topic day today and we had a go at writing our name in Chinese, making noodles and sequencing the story of The Chinese New Year Animals. In Maths the Year 1 children have been doing place value with numbers to 50. The Year 2 children have been carrying on with division and multiplication.

Top tips for searching online from Harlow and Jacob!

A fantastic letter telling a Head teacher in China about our school. Well done Oscar.

Chestnut

This week we have been enjoying the snow. Chestnuts have been learning about graphs and charts and learning all about adverbs. We have also been carefully sketching the Willow Pattern by Thomas Minton.

Henry, Winny and Jack with their willow patterns.

A close up of Matthew's willow pattern

Filip's work about charts and graphs.

Filip had 20cm of Snow in Poland! He taught us that Śnieg is snow in Polish.

Matthew worked hard on his record of achievement and included great adverbs to describe how he scored a goal in football.

Maple

Kung Hei Fat Choy Maple class! We have been enjoying getting into the spirit of things at home and in class this week. Chloe wrote this amazing poem in the shape of a Chinese dragon.

Shantai made a fortune cookie with a message in it.

Martha made a snow angel.

Poppy was busy making a spiral dragon and Chinese lantern.

Taz found her ball!

Have a great half term, thanks to you all (children AND adults) for keeping going with your home learning, I hope you all enjoy the break.

Oak

This week we have had a Google Meet every morning - it has been great to see your faces again and enjoy some fun quizzes and games. We have been making posters about Cyberbullying and have spoken about what bullying is and what to do about it. It's important that we all remember the effect that making unkind comments, spamming or leaving people out of groups can have on people's feelings. Always think before you send something and don't send messages when you are angry.

In Art we have made some colourful Chinese dragons and in Music we have listened to traditional Chinese music. I am looking forward to seeing some of your tourist leaflets about China!

Great poster Ellie!

Super fractions work from Sophie C.
