HURST GREEN NEWS FRIDAY 5th March

Dear Parents and Carers,

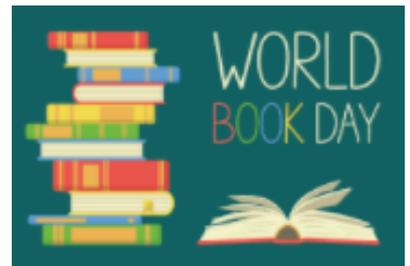

We are very disappointed to have to close for Monday as we have been looking forward to seeing all the children back with us. Rest assured we are doing everything we can to get this issue resolved and we will be in contact on Monday.

Kind regards, Miss Flack

WORLD BOOK DAY

Although World Book Day was officially yesterday, we will be celebrating as a school throughout next week so that all the children are included. Please have a look at the link below:

<https://www.worldbookday.com/wp-content/uploads/2020/04/5-Ways-to-Encourage-Children-to-Read-2020-1-min.pdf>

On Thursday 11th we will be sharing our favourite books for World Book Day - please can the children bring in a book from home to share with the class.

Mother's day gift room

We are doing the gift room for Mother's Day in the coming week, as it is next Sunday (the 14th March) so, please make sure you have completed the google form if you would like to take part.

If you have any questions please email hurstgreensa@gmail.com or message us on Facebook at www.facebook.com/Hurstgreenschoolassociation

SOME OF THIS WEEK'S WORK

Willow Class

This week we have been learning about the number 8. We have been finding how many ways we can make the number 8. We have been learning dinosaur names, and how to say them! The children have also made fact files about their favourite dinosaur – they have worked very hard.

Michalina named all her dinosaurs

Henry's kinetic dinosaur

Naia sorted fish out

Silver Birch

In English this week, we have started reading our book. The class has worked very hard to write thought bubbles and some speech to go with the pictures. We have also been working on our visualising skills and had a go at visualising what we think the next picture in our book looks like. In Maths we have continued with length. The Year 1 children have been using a ruler to measure the length of different objects and add lengths together. The Year 2 children have been ordering lengths and using all four operations to solve length word problems.

Oscar's moat and castle

Jacob's giant having a snack

Chestnut

This week in Chestnut we have been learning all about grammar. We know about prepositions, homophones and up levelling our sentences with interesting adjectives. We have had fraction fun finding groups of sticks, daisies, acorns and stones in groups of ten to help us understand tenths and hundredths. We have continued with our Roman research and we are very excited about everyone being back in class next week, when we will be making fractions with our party hats on!

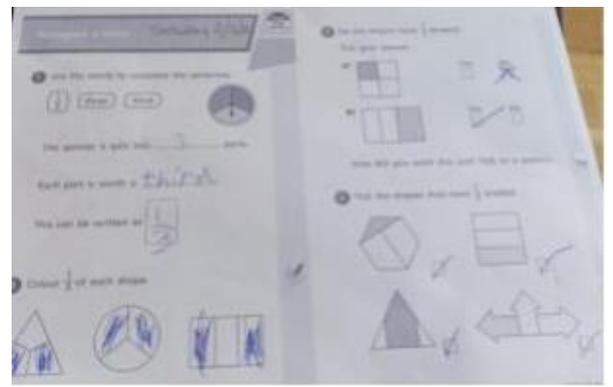

Fergus has been making his own Mount Vesuvius volcano - let's hope it doesn't erupt too much!

Can you write a description of the character?

Use the words in the box to help you

Darth Vader
He was very strong, because he won all the fights.
He was clever because he was learning fast.

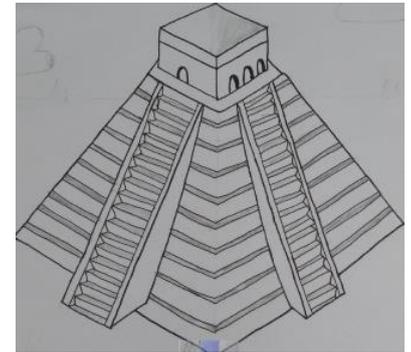

Lucas has been working hard to find thirds of things

Filip wrote a character description of Darth Vader and dressed as him!

Maple

This week we have busy in Maple. Lois produced this amazing Maya pyramid with a temple at the top using a step-by-step approach on Youtube, it took her 2 hours to perfect 😊

Luke (our resident salt dough expert!) made this fantastic Aztec sun, he really has got into the role and his mum is now sleeping with one eye open to avoid becoming the next human sacrifice!

Chloe has been writing to Mr Anderson from the Cloud Forest to ask for help in dealing with Shoo's injuries - well done!

Dear Father,
 I've not seen you in ages and I always miss you!
 Saddy, I've not seen Uncle Sagg since he went to go to get food for us! I feel soooo lonely without you both.
 Don't worry Dad, I'm with ^{some} yedis who have become like my family, because they feed me and keep me warm. They took me how to climb and fish.
 Unfortunately, one of my yedi friends Shoo recently fell from the cliff face which were as high as the trees. Do you think I could help? I did but all I did was teach her on the ground. NOW I'M THE HERO OF THE YETIS!
 Hope to see you soon
 Love from your son, X

Holly has written an instructional text showing how to perform CPR on a yedi. She has used pictures because as we know, yetis can't read.

Can't wait to see you all next week, remember to bring in your reading books and reading records please. Have a great weekend!

Oak

We have been learning about decimals in Maths. In English we have been brushing up on our grammar skills and in PSHE we have been learning about the importance of friends and family. We drew some Smuggler's Schooners and enjoyed sharing these with the children at home and displaying them in the classroom.

Thank you to those who join us for our Google Meet sessions in the mornings. We have enjoyed seeing you and some of your pets despite the constant buffering! I am really looking forward to seeing you on Monday - we have a fun week planned to ease you back into the routine.

Tyler's ship – this is wonderful!
