HURST GREEN NEWS FRIDAY 25th JUNE 2021

Dear Parents and Carers,

It was lovely to meet all the new Reception parents on Thursday evening (outside) and we are all really looking forward to the children starting with us in September. On Tuesday we have our transition morning where all the children will meet their new teachers. Mrs Thornton and Mr Priddin will be joining us for the day to become acquainted with the school and their new classes.

We have noticed an increasing number of children who arriving after 9am. The gate is shut promptly at 9am and all children arriving after this time are marked in the register as late, so please try to arrive before this time.

Have a good weekend.

Miss Flack

Anyone for Cricket??

Rye cricket club are holding two summer camps at Rye Cricket Salts – details below:

[Softball Summer Camp](#)

[Hardball Summer Camp](#)

August 16th / 17th from 10am -3pm Ages 9 – 13 Cost £40

To Sign Up email: blincsfamily@aol.com

EVERY DAY THINGS TO REMEMBER

Remember to send your child in with a full water bottle each day, sun cream applied when it is sunny, raincoat when it is raining and hair up if your child has long hair. Jewellery is not to be worn – your child can wear small studs if they have pierced ears, but they must be able to remove them for P.E as we are unable to do so. Please make sure children are wearing the school P.E kit – they should be wearing their school jumper on top of their P.E t-shirt.

WHAT HAVE WE BEEN DOING THIS WEEK?

Nursery:

This week we have been shopping! We have selected our items and have been writing our numbers so that we can pay for everything. We have been finding and drawing different shapes, and today we read about Darcy who found three sharks in the bath...

There will be no mother and toddler group next Friday, as we are at Blackberry Farm!

Willow:

This week we have been learning about sharks and we wrote some great facts about them! We have enjoyed finding the treasure in the shaving foam and exploring the treasure box. In Maths we solved problems involving sharing. We have spent some time outside in the shared area with the Nursery children too.

Headteacher's award: Martha for excellent progress in her independent writing

Reader of the week: Shea

Silver Birch:

In Maths this week, we have been finding the capacity of different containers and have also compared the capacity of the containers. In English we have been thinking about our vocabulary and choosing adjectives that are more interesting. We have planted our peas that we grew through hydroponics. We are also looking after some caterpillars and watching them grow! Hopefully they will become chrysalides during the school week. A massive thank you to Oscar's mum for arranging this for us!

Headteacher's Award Year 1: Evie for making great vocabulary choices.

Headteacher's Award Year 2: Kenny for trying hard in Maths.

Reader of the week: Harry

Chestnut:

This week Chestnuts wrote our own sea shanty linked to our class book and the naughty character, Stacey-de-Lacey. We performed it using percussion instruments with the help of Mrs Ham. In Maths we have mastered quarter and full turns, as well as right, obtuse and acute angles. We now know the North, South, East and West directions going clockwise and anti-clockwise! In Science we dissected and labelled the parts of a sardine, leaving the classroom to air over the weekend.

Headteacher's Award Year 3: Lucas for great fluency work.

Headteacher's Award Year 4: Rosie for excellent angle knowledge.

Reader of the week: Winny

Maple:

This week in Maple class we have started working on our dioramas of oceans (complete with the detritus that is sadly thrown into them). We have considered the 3D aspect of our designs and looked at how we can layer our ocean scapes and use different ways of presenting the marine life in them. In Maths we have continued our work on decimals, this week adding and subtracting. As the European Championship is heating up, we had lots of excited reactions to Tuesday's result against Czech Republic, fingers crossed for the next leg of the tournament and playing Germany 🏆 😊

Headteacher's Award Year 5: Lilah for a great improvement in Maths this term, nailing the addition of decimals this week, well done!

Reader of the week: Toby

Oak:

The children have been learning about pollution in our rivers, linked to our topic. They have been practising their play with Miss Hughes and the songs during music with Mrs Ham. In English, we have been reading the next chapter of 'Orphans of the Tide' and drew visualisations alongside quotes from the text and in Maths we have been working on our fluency. Children who are going to Uplands enjoyed a Zoom call this week with one of their new teachers. We are looking forward to PGL next week!

Headteacher's award: Sophie N for an amazing amount of progress in Maths this year - 30/30 for all of her recent arithmetic tests - wow!

Reader of the Week: Erin

ATTEND TODAY
ACHIEVE TOMORROW
