HURST GREEN NEWS

FRIDAY 2nd July 2021

Dear Parents and Carers,

As I am sure you are aware, Covid-19 cases are rising in our immediate area. We are making sure that we continue to take precautions e.g children remaining in their bubbles, regular enhanced cleaning etc. but we have a few children isolating already and this may rise. Please be vigilant and encourage hand washing and social distancing as we would really like to make it to the end of the academic year without having to close any bubbles. We appreciate your continued support.

Miss Flack

Fancy being on T.V?

Eat Well For Less?

**BBC One's
Eat Well For Less?**

is back on the hunt for households looking to save on their food shop!

WHAT HAVE WE BEEN DOING THIS WEEK?

Nursery:

We have been talking about farms this week, playing with the farm animals and reading farm stories – all in the run up to our trip today! We have got perfect weather for our trip to Blackberry Farm with all the pre-school children. I am sure they will all need an early night... as will the adults!

Willow:

This week we have been learning about staying safe at home with Sam. We have also learned about plastic pollution in the sea and the importance of recycling. We had a lovely time creating bracelets and necklaces for mer-people, making treasure maps and going on treasure hunts.

Headteacher's award: Matthew for doing some amazing drawings at home.

Reader of the week: Naia

Silver Birch:

This week in English, we have been gathering information and using it to help us write non-chronological reports. Everyone worked really hard and included lots of information. In Maths this week, the Year 1 children have been adding and subtracting numbers to 20 and problem solving and reasoning. Year 2 children have been adding and subtracting numbers within 100. They have also been problem solving and reasoning.

Headteacher's Award Year 1: Freya for trying hard with her writing.

Headteacher's Award Year 2: All of year 2 for excellent Maths work.

Reader of the week: Amber

Chestnut:

This week Chestnuts have been learning about polygons and naming the shapes with parallel lines. We worked hard in English writing wonderful poems about the sea. Children wrote rhyming couplets and used their own memories of their time by the sea. Chestnut children had a great morning in their new classes with their new teachers Mrs Thornton and Mr Priddin.

Headteacher's Award Year 3: Scarlett for writing a catchy poem.

Reader of the week: Josh

Maple:

This week in Maple class, we have continued with our reading of Floella Benjamin's 'Coming to England' and considered whether her actual experiences matched what she had imagined. We learned how she was made to feel inferior and different at school and the racism Marmie and Dardie endured trying to make a new life for their family in England. We also considered the impact that this would have on their mental health (something rarely discussed in the 1960's). Our diorama boxes are now under way, having had their first coat of paint, we are now creating, rocks, coral and underwater caves to give our boxes depth of field. In Maths we have continued our work on decimals in Year 5, this week adding and subtracting. As the European Championship is heating up, we had lots of excited reactions to Tuesday's result against Germany and also spotted Ed Sheeran sitting next to David Beckham in the crowd! Fingers and toes crossed for Saturday's quarter final match against Ukraine 🏆🇺🇦

Headteacher's Award Yr 4: Fraser for a brilliant start to his diorama box following his design idea.

Headteacher's Award Yr 5: Chloe for amazing addition and subtraction of decimals with different decimal places.

Reader of the week: Rowan

Oak:

We have been having an amazing time at PGL. We have had some great new experiences, pushed ourselves to our limits and worked together to help each other through our fears. What a team! The PGL staff have said they want to keep us because we are such a lovely group! We have agreed to them keeping the children. 😊😊😊
