

Hurst Green Church of England Primary School and Nursery

Pupil Premium Strategy Statement

1. Summary Information

School	Hurst Green Church of England Primary School and Nursery				
Academic Year	2022-2023	Total PP Budget	£22,160	Date of most recent PP Review	September 2022
Total Number of Pupils	100	Number of pupils eligible for PP	16	Date for next internal review of this strategy	January 2023

Current Attainment

End of Key Stage Results 21/22	Pupils eligible for PP	All Pupils
EYFS ELG % achieved	100%	65%
Phonics % achieved	33%	71%
KS1 Combined % achieved	69%	50%
KS2 Combined % achieved	60%	68%

3. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers

- A.** Children have not developed the key skills they need in English and Maths by the end of KS1 to enable them to access the KS2 curriculum.
- B.** Children have low speaking, listening and language skills affecting ability to access the curriculum.
- C.** MHEW issues affecting academic performance including: social and emotional difficulties such as anxiety and low self-esteem.

External barriers

- D.** A lack of opportunities to access visits and residential trips due to finances.
- E.** Attendance of pupil premium children is below that of non-pupil premium children.

Learning, Living and learning with God.

4. Desired Outcomes		
	Desired Outcomes and how they will be measured	Success Criteria
A	Children are making accelerated progress in English and Maths.	Accelerated progress in all year groups to increase the % of children achieving ARE.
B	To improve children's language skills.	Children's communication and language skills do not become a barrier to achievement.
C	Increased academic performance of disadvantaged children through addressing MHEW needs through the implementation of precise nurture provision, school counsellor, use of the Educational Psychologist to train staff in CBT strategies to teach to children,	Reduction of psychological and cognitive barriers to learning; children have a strong sense of self-worth and self-belief and are emotionally ready to learn. Children display greater resilience and an increased desire to learn and achieve.
D	Ensure that all learning opportunities (including residential) can be accessed despite financial constraints.	All pupils have access to school visits to enrich their learning, without any cost barriers,
E	Attendance of pupil premium children to be in line with national average.	The attendance of pupil premium children is in line with national average and that of their non-pupil premium peers.

Learning, Living and learning with God.

5. Planned Expenditure

Academic Year 2022-2023

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies

Quality of teaching for all

Desired Outcome	Chosen action/ approach	What is the evidence and rationale for this choice	How will you ensure it is implemented well	Staff Lead	When will you review implementation?
A	To develop the teaching of maths mastery across the school.	Maths mastery is a research and evidence based approach to Maths teaching and is recommended by the government.	Participation in the Maths Hub Embedding Mastery training. Use of standardised maths tests. Training for teachers. Learning Walks Purchasing of manipulatives and visuals.	AF	Data in term 2, 4 and 6 Termly book looks and learning walks
A	Reading to continue to be a focus across the school. New books purchased to encourage engagement in reading.	Developing good reading skills is essential to access the whole curriculum. Phonics is a key skill that children need to read and spell.	Use of standardised reading tests. Pupil voice Learning walks and monitoring.	EI AF	Data in term 2, 4 and 6 Termly book looks and learning walks

Total Budget Cost £2,160

Targeted Support

Desired Outcome	Chosen action/ approach	What is the evidence and rationale for this choice	How will you ensure it is implemented well	Staff Lead	When will you review implementation?
A	Formulate list of who these children are; all staff are aware and support staff focus on these children in lessons. Teachers have a strong awareness of the gaps in their learning, which are rapidly filled allowing good or better progress to be made. Source catch up interventions, which could be used to engage children in their learning.	Pupils will be even more vulnerable to underachievement due to lockdown and not accessing the online learning that was set for them	Data in terms 2,4 and 6 Book monitoring	SLT CT's SENCo	Assessments and Pupil Progress Meetings in Terms 1, 2, 4 and 6.

Learning, Living and learning with God.

A	Pupils who are SEND and PPG to tracked as a separate groups. Support parents in supporting children's learning at home. SENCo meetings with parents and parent café's to be arranged. SENCo monitoring of provision for pupils in class.	These pupils are classed as 'doubly vulnerable' to underachievement and need to be met and focused on as a specific group of learners.	Pupils progress meetings to review impact Learning walks and book monitoring Pupil voice and parent feedback	SENCo	Assessments and Pupil Progress Meetings in Terms 1, 2, 4 and 6.
B	Language Link screening to be carried out with all reception pupils and interventions put in place. Identified pupils to be screened in Language or Speech link and interventions put in place. Pupils with specific speech and language needs to be referred to class.	Pupils with poor language skills underachieve across the curriculum.	TA training when needed Contracted TA hours	SENCo	Assessments and Pupil Progress Meetings in Terms 1, 2, 4 and 6.
C	School counsellor employed to work with identified children.	MHEW is extremely high on the primary agenda with research revealing that children cannot learn and make good progress if they have an identified mental health need.	Pupil Voice Parent feedback	SLT SENCo	Termly
C	Educational Psychologist to work with identified groups of children to train them in the use of CBT strategies.	CBT is a proved approach that shows children ways to turn around negative thoughts to positive.	Pupil Voice Parent feedback	SENCo	Pupil Progress meetings in term 1, 2, 4 and 6.
Total Budget Cost					£19,000

Learning, Living and learning with God.

Other approaches					
Desired Outcome	Chosen action/ approach	What is the evidence and rationale for this choice	How will you ensure it is implemented well	Staff Lead	When will you review implementation?
D and E	Subsidised trips and residential for all PPG/Ever 6 children.	School trips and educational visits are powerful teaching tools which help to enhance the social, personal and emotional development of all learners. These visits add value to each child's academic and personal development.	Parent/child feedback	SLT	Terms 2, 4 and 6
D and E	Funded breakfast club.	Research shows that a high percentage of PPG children do not get a nutritious breakfast. This has a detrimental effect on their learning in the day.	Parent/child feedback Monitor behaviour incidences Improved academic outcomes.	SLT	Terms 2, 4 and 6
E	Termly attendance certificates. Attendance of all groups monitored on a monthly basis. Contact parents/carers and arrange meetings when necessary if attendance does not improve.	East Sussex continues to promote the detrimental effect on children's education when attendance is below 95%.	Higher attendance Improved academic outcomes	SLT	Termly
Total Budget Cost					£1000

Learning, Living and learning with God.
