HURST GREEN NEWS FRIDAY 9th JUNE 2023

Dear Parents and Carers,

Welcome back everyone. It has been a busy first week back. RCC came in to see the children that are starting with them in September, the Year 6 children played kwik cricket on Tuesday afternoon, Key Stage 1 have all spent time in the car park observing the traffic and we have had fun in the beautiful weather. With the warmer weather in mind, please make sure that children have a full bottle of fresh water each day, a sun hat and cream applied.

Just to remind you that children should still be in full school uniform, this includes ties for the Key Stage 2 children. Year 6 children can wear their leaver's polo shirts but all children should have black school shoes. Long hair should be tied back and earring should be small studs.

Have a great weekend, Hurst Green Staff 😊

HURST GREEN VILLAGE FAIR

**** Come to the Fair next Saturday on the cricket field from 12-5pm ****

Thank you for all the Rainbow Raffle prizes – they are fantastic! We are going to make up the hampers for the raffle that will take place next week at the fair. The HGSA are doing the tea and cake tent and some other stalls, so please could you drop cakes to the office on Friday, or to the tent on Saturday morning. The Choir will be performing and there are lots of brilliant stalls so come along and enjoy the fun.

We would like your views on the HGSA School Fundraising – please take a moment to give your views by clicking on the link below. This form is anonymous and does not collect any personal data. If you would like to become involved in the HGSA, you can enter your details if you would like, but you can pop in to the office if preferred.

Below, class percentages of those that have read 5 times this week.

Willow: 72% / Silver Birch: 41% / Chestnut: 92% / Oak: 65%

Attendance for week commencing 5th June 2023

Willow: 90%

Silver Birch: 97.1%

Chestnut: 93.7%

Oak: 93.7%

Whole School: 93.6%

Nursery

All the children have settled back into nursery. We have been exploring and talking about rectangles and squares and building with different blocks. We have been enjoying playing outside, building obstacle courses and running races. We are really happy with the new green surfacing underneath the slide.

Willow

This week we have looked at a selection of different plants, sharing our knowledge of what we know already about different types of plants and flowers. We noticed similarities and differences between them. We also went outside and took photos of plants and flowers in the school grounds. In Maths, the Reception children have been exploring odd and even numbers and the Year 1 children have been making equal groups by grouping and sharing.

Head Teacher Award R: Theo for having the confidence to have a go.

Head Teacher Award Yr1: Henry for trying his hardest in Maths.

Reader of the week: Archie

Silver Birch

This week in Maths, Year 2 have been learning about statistics. We made a tally chart of the traffic on the A21 and we created a pictogram of our results. Year 1 have been learning about fractions. We have halved and quartered shapes, objects and numbers. In English we made actions for 'Goldilocks and the Three Bears' and created our own story map. We then rewrote our own version of the story.

Head Teacher Award Yr 1: Seraphina for working super hard with her story.

Head Teacher Award Yr 2: Michelle for her amazing version of the story 'Goldilocks and the Three Bears'.

Reader of the week: Evie

Chestnut

We started our new Geography topic, "How can we live more sustainably?". The children have conducted independent research on what sustainability means and highlighted areas of concern such as fossil fuels, deforestation, climate change and the impact on our planet and life as we know it. In English, we completed our big write and started our new book, "The Last Bear" by Hannah Gold. In Maths, the children have been reading, writing and comparing time. In RE, we are learning about Sikhism and explored the concept of equality and equity. In Art, we have been painting our Modroc models. They look amazing!

Head Teacher Award Y3: Amelie for working hard on writing her story.

Head Teacher Award Y4: Imogen E for using her own initiative to help the homeless

Reader of the week: JJ

Oak

In Maths, Year 5 have been continuing their work on fractions. In English and Life skills, we have been writing Anti-Bullying Playscripts and acting them out to the class. We have also been practising 'The Wizard of Oz'. Please could the children learn their words at home and make sure they are loud and clear! Thank you. In DT, we are designing mobile phone cases. Can children hand in their market research survey and measurements sheets please? If anyone can help us with sewing on Thursday 29th June and / or Monday 3rd July I will be eternally grateful! Please continue to read 5 times a week.

Head Teacher Award Y5: Lucas, for superb Maths work with Mrs Clease this week

Head Teacher Award Y6: Rosie for her mature attitude to her work.

Reader of the week: Amelia

Precision Pass invited our very own budding Football star Harry to participate in their tour, The Europa Cup held in Paris! They played in an international youth football tournament on the pitch inside Parc des Princes stadium – home of one of the world’s most famous football clubs, Paris Saint-Germain.

They learned about the history of the football club, before lining up in the tunnel and running out onto the pitch with the Champions League anthem playing in the background, to take part in a 7v7 football tournament against teams from across the UK and Europe.

Upon conclusion of the tournament, Harry was awarded a medal in the pitch side ceremony in front of parents & spectators watching on from the stands. As a 4 day tour, every participant got the chance to visit Disneyland Paris for team bonding too.

Harry had a fantastic time – WELL DONE!
