Silver Birch Class Parents/Carers
Term 4 Newsletter

This term our Christian value is forgiveness

"For if you forgive other people when they sin against you, your heavenly Father will also forgive you. Matthew 6:14

Topic - Geography

Why does it matter where our food comes from?
This term we focus on food miles and the choices we can make when it comes to healthy foods. We will explore the dairy farming industry in the UK. Learn more about climate change, where meat comes from and why some might choose a plant-based diet. We are also very excited to visit Evie's farm.

English

This term we will be learning about dialogue using Farmer Duck as a stimulus. To help us learn the features of explanation text we will be reading What's in my Lunchbox.

Maths

In maths this term we will be using number lines to add, subtract numbers within 100. Mastering number methods to solve in our head, including crossing 10. Calculating mathematical statements for multiplication and division within the multiplication tables 2, 5, 10 and write them using the multiplication (×), division (÷) and equals (=) signs. Learning that multiplication of two numbers can be done in any order (commutative) and division of one number by another cannot.

Computing – Statistics

This term we will be collecting data using a tally chart then presenting this data using pictograms and bar charts.

DT – Food Technology

This term we will be cooking and learning about where the food that we eat comes from.

Music

This term we will be using out bodies as percussion instruments exploring rap, rhythm and rhyme.

PE

This term we will be focusing on ball games and throwing and catching skills. We will be working in teams and collaborating together.

RE

We will be thinking about the Easter story and learning why Judas betrayed Jesus? Why Pontius Piolet wanted to nail Jesus to the cross? Considering if we could forgive, like Jesus who died for our sins?

Science - Plants

Our science topic this term is plants. During the term we will be growing our own plants. Learning the names and function of the different parts of a plant. Dissecting a daffodil. Finding out what a plant needs to grow and investigating if seeds can grow without soil.
.

Life Skills

This term we will be thinking about how our bodies change as we grow. A letter will be going out nearer the time with further information. .

Dates for the Diary

Monday 11th March 2023, Trip to the farm. Please make sure your child brings wellies and if possible water proof trousers or old clothes.

Important Reminders

Please write in your child's reading record when you hear them read. This includes any additional books, comics, kindles they read at home.

PE Days

Wk 19th Wednesday
Wk 25th Tuesday
Wk 4th Wednesday
Wk 11th Thursday
Wk 18th Tuesday
Wk 25th Wednesday
